

INSTRUCTIONS for your BE A MAGNET TO SUCCESS SYSTEM

Welcome to **THE BE A MAGNET TO SUCCESS SYSTEM!!** Here are my recommendations on where to start with all of these powerful life changing products that are part of the Success System.

First, I recommend you put on the **DVDs (or videos)** get out your workbook and begin immediately to immerse yourself in this powerful training so that you can begin NOW to experience more good and success in your life. There is no time like NOW!!! Throughout this main course I will be guiding you every step of the way.

IF you do not have time to begin this immediately, PLEASE listen to the CD program **“Michele’s Magnetic Creative Visualization”** CD #1 and when you go to bed tonight listen to CD #2 as this will powerfully help you to begin to visualize what it is you DO want to experience in your life and to create it.

I suggest you put on **“The Laughing Meditations”** CD whenever you feel like you need an IMMEDIATE lift of energy and joy.

Put on **“Michele’s Songs For Success”** CD and listen up loud as many times as you can until your mind is totally absorbed with the positive lyrics and then continue to listen to your favorite songs whenever that topic is something you feel you require help. For example, when you begin to make excuses to yourself and say e.g. “Oh I can begin tomorrow to work on my new project or I deserve a break tonight”... etc. etc. that is the time to play the PERSISTENCE SONG LOUD!!! This will jump start you and you will realize that action is what is going to help you have your dreams come true. ACTION RIGHT NOW!!! Not tomorrow, not the next minute, NOW NOW NOW!!!!

Of course, I HIGHLY recommend that you put in your computer screensaver as soon as you can; as this is such a simple and powerful tool to help you stay focused on the positive and of course MONEY MAGNETISM and SUCCESS!!

NOW, with the comprehensive Business System **“Michele’s Beyond Success 3-CD program with workbook,”** I recommend that you go through this system AFTER you have completed the 3 DVDS (or videos) as then you will have so many more ideas that will help you with the **“Beyond Success”** training. This training is something that is so amazing to help propel you into the fast lane as it has instructions on so many areas of business, as you will see for yourself!!
