Instructions for Effective Use of New Paradigms™ with MusiVation™

1. Listen to each of the six audio CD's (or MP3's) in this series once or twice to satisfy your curiosity and become aware of the contents of each topic. (On MP3 if you bought downloads #6 is more MP3 track downloads than 1).
2. Read the lyrics for each of the songs slowly and THINK. As you read, pay very close attention to the message in each line. There is real power in each line. There is real power in each of these songs. Memorize these lyrics...sing the songs over and over again until they begin to play themselves in your marvelous mind. Become as familiar with these lyrics as you are with your own name.
3. Remove cassettes #1 SUCCESS and #2 MUSIVATION SONGS from your album. Place the album away from direct sunlight or extreme heat.
4. Begin to play both cassettes of "SUCCESS" and "MUSIVATION" songs alternating one, then the other. Continue to play the two cassettes over and over every day for a week. Refuse to listen to anything else. While you are in your car, leave your radio off and "SUCCESS" on.
5. Read the lyrics as each song is playing. Sing along with Michele...really sing...get emotional, put your heart into each song just like Michele is doing. This will help with your memorization. Every time you sing these lyrics, you alter the old conditioning a little. The repetition of lyrics being impressed upon your sub-conscious mind will alter your Paradigms and improve the quality of every aspect of your life.
6. After you listen to the "MUSIVATION SONGS" and "SUCCESS" for a week, put "SUCCESS" back in the album and take out the "DECISION" cassette. The "MUSIVATION SONGS" cassette stays out with all of the cassettes. Begin a new week with your "DECISION" cassette and the songs. Listen often every day for week with the cassettes. Repetition is very important.
7. Continue with this pattern until you have visited with each of the five messages for an entire week. THEN...REPEAT THE PROCESS FOR FIVE MORE WEEKS.
8. Begin each of the ten weeks as follows:
 - a. Each week when you put a new cassette on and play it through twice, follow (b), (c) and (d) instructions.
 - b. Write down on a card four points from the lesson that you will incorporate into your personality.
 - c. How you will employ the four points.
 - d. How you will measure your progress.
9. Make a written commitment and sign it stating that you will follow these instructions to the letter...to accomplish by making New Paradigms™ with MUSIVATION™ a part of your life. Give a copy of this commitment to a person you have respect for. Carry a copy with you everyday...reading your commitment aloud each time you listen to a cassette. Read it every morning upon arising and again before retiring at night.
10. CAUTION: Your old paradigms may put up a real fight. Old paradigms do not like being replaced. Your old conditioning could cause you to feel that listening to these cassettes as instructed is foolish behavior, when exactly the opposite is probably true. What you have been doing in the past was probably foolish behavior by comparison. This ten-week program is a highly effective personal development program. It will ultimately lead you to receiving everything you will ever want.

Listen & Sing Be Persistent.

SUCCESS

Chorus

Success

Success...Success x 2

Ah...Ah...

Success...Success

Verse 1

True Success is the direction you choose your life to go
So build a mental image of beauty the world will follow your glow
Success always follows imagining, you'll brighten everything you touch
Your mind's a part of infinite good, you can never ask too much
So ask for

(Repeat chorus)

Verse 2

Put Spirit's name on every image, fit them next with wings of gold
Send them flying into infinite, by law they must unfold
We just came here for a visit, to create both day and night
We are guided by pure Spirit and protected by white light

(Repeat chorus)

We just came here for a visit, to create both day and night
We are guided by pure Spirit and protected by white light

(Repeat chorus until end)

DECISION

Decision!!!

Decision Decision Decision

Winners make them fast, losers make them slow
Winning is a choice, just decide and go

Decision!!!

Decision Decision Decision

Make decisions...be decisive, show the world you're bold
You'll be loved...you'll be admired, you'll attract your share of the gold

Decision!!!

Decision Decision Decision

It's a single mental move, that turns the dark to light
So make decisions...be decisive, your fears will take flight
Decision!!!

Decision Decision Decision

RISK

Verse 1 Risk opens the door to a brand new place
It gives you courage and it gives you grace
You'll love, you'll learn, grow and be free
Come on take a risk, it's for you and me
Take a risk...everybody

Chorus

Be bold, be brave
Stand straight and tall
Let the power flow
You're gonna x 2
Win it all
Come on take a risk

Verse 2 In the magic place everybody's free
It's the spot your Spirit oh longs to be
When you risk, remember that you're not alone
So get up and out of your comfort zone
Take a risk... everybody

(Chorus repeat x 2)

Take a risk to freedom
Freedom
You're going to the place we're homesick for
Freedom
Take a risk to freedom

PERSISTENCE

Verse 1 Fame & fortune stand there waiting
they will never fade away
They're both yours for the asking
but there's a price you need to pay

(Chorus 1) It's PERSISTENCE...PERSISTENCE
That shovels up the gold
It's persistence, yes persistence
that brings fame for you to hold

Verse 2 Fame is not a common suitor
And fortune's fickle I am told
You must develop that one ingredient
Or you're alone out in the cold

(Chorus 2) It's persistence, yes persistence
That expresses what you've got
It's persistence, yes persistence
That makes fame & fortune both so hot

Verse 3 You beat resistance with persistence
You stay until the job is done
Your reward will be fulfillment
You'll know inside that you have won

(Chorus 3) With persistence, persistence
I'll go the distance every time
With persistence, yes persistence
If I want it then it's mine

ACTION

By M.Blood and B.Proctor

Don't Force it, reinforce it
It's expression of an impression

IT'S ACTION

(Chorus)

Gonna find a real goldmine
Gonna find a real goldmine
With Action I know it's happened

Gonna find a real goldmine
Gonna find a real goldmine
With Action I know it's happened

(Verse)

I'm letting go of doubt and fear
Letting in a good idea
With Action I know it's happened

I'm letting go of doubt and fear
Letting in a good idea
With Action I know it's happened

EXPLOSIVE ACTION

ITS ACTION !!
